

LYME HUNTER PACE

At Lord Creek Farm in Lyme, CT

September 10, 2023

Lord Creek is a beloved venue for "all things equestrian," and by supporting this event, your sponsorship dollars enable Lyme Trail Association, High Hopes Therapeutic Riding, Inc. and the Connecticut Valley Pony Club to pursue the tradition of equine-related activities in the CT River Valley.

The **Lyme Trail Association** is dedicated to the maintenance, stewardship and enjoyment of trails around Lord Creek Farm. We support a community of horseback riders and non-riders who appreciate the rural character of Southeastern Connecticut and understand the importance of preserving the area's rustic nature.

High Hopes Therapeutic Riding has been in operation since 1974 and annually serves over 1500 individuals, ages 3 through 80. High Hopes fosters a vibrant community where horses and human interactions improve lives.

The **Connecticut Valley Pony Club**, a member of the United States Pony Club, provides an educational program for children and young adults up to 25 years of age. It teaches riding, mounted sports, and the care of horses and ponies, thereby developing responsibility, leadership, and self-confidence.

The **Lyme Hunter Pace** is a cross-country ride with a partner(s) over a marked and timed course up to 9 miles. As a sponsor, your message and company name will be seen by equestrians, family and friends from all over the region.

See lymetrailassociation.org for more details about the event.
